April 9, 2010

Amherst Select Board
Amherst, Mass. 01002

Dear Sir (s);

My name is Todd Cromack and I am Cabinet Secretary Treasurer for District 33Y Lions and recently President of the Northampton Lions Club. I have recently restarted the Amherst Lions Club and as part of our service to this community I am seeking Select Board approval to have the District 33Y Lions Eyemobile on Saturday, May 8th, 2010, at the town fair sponsored by Amherst Rotary. The Eyemobile provides free screenings for blood pressure, hearing, visual acuity, and glaucoma..

The Eyemobile was in Amherst's 250th year parade last year and was also in Hadley's 350th year parade. The vehicle is approximately 40 feet long and would need three parking spaces near the common (preferably South Pleasant Street). The screenings are done by Lion volunteers extensively trained to drive the vehicle and operate the vision and hearing equipment.

As a service organization, this is only a service we are providing to the public. We will only screen children if they are accompanied by an adult. The Eyemobile is insured against damage and liability for property.

We are requesting the vehicle to be there on Saturday, May 8th, from 9:00 AM through 4:00 PM.

Thank you for your consideration. If you have any questions, I would be happy to answer your questions by e-mail, phone, or in person.

Sincerely,

Todd A. Cromack, Cabinet Secretary/Treasurer
District 33Y Lions

4/16/10

To: The Select Board

Re: Community Fair

The Rotary Club has no objection to allow the Lions Club Eye mobile parking on South Pleasant Street during the Community Fair on May 8, 2010.

Since the Rotary Club has requested a no parking restriction on South Pleasant St. for three (3) meter locations during the same day, I would suggest a different location.

Three meter locations north of the Spring Street parking lot would serve the same purpose.

Any questions, please call 549-1217.

Stanley P. Zwick, Rotary Club.
